

## Chapter Ballot Report

National Ratification of Proposed Revision to Covenant and Code of Ethics

### INTRODUCTION

The national Leadership Team encourages each chapter to contact the national office to arrange an informational session regarding the proposed revisions. Upon commencement of local chapter process, this document is to be used as the official reporting mechanism for chapter votes on the ratification of the proposed revisions. Certification by duly elected officers (president, vice-president, secretary, representative) is required. Eligible voters are those who are current on their **National** Dues in 2021 (or 2022, if the vote is taken next year). **Please submit this form, along with an attached list of those *in attendance* of the meeting, to the national office upon completion.**
