

Dear Colleague in Ministry:

American Baptist Personnel Services, ABPS, is now part of a new platform called ministrElife, custom built and under the direction of the American Baptist Home Mission Societies (ABHMS). MinistrElife addresses:

- The Full Spectrum of Ministry Professionals, From Full-time Senior Pastors to Ministers of Music
- The Full Life Journey of Ministers, From Seminary Studies to Job Search to Retirement
- The Full Life Needs of Ministers, Continuous Learning, Leisure and Personal

American Baptist Home Mission Societies now offers numerous features to ABPS users in addition to Job Search Services. This is in response to extensive input received from loyal ABPS users. We are anxious for you to try our new interactive platform for yourself. Please notice that going forward you can continue to rely on the dedicated service of ABHMS' ABPS staff in collaboration with ABC Regional staff. ABHMS remains dedicated to your privacy and the security of your confidential information and has created a platform that allows you better access and engagement with your secure data, in addition to direct interaction with other religious professionals in American Baptist life, should you choose to engage.

We are in a Beta Launch period of ministrElife, encouraging all to register and give us feedback that will make this platform yours before the official launch in June of 2019 at the Mission Summit in Virginia Beach. If you have not already done so, we are asking that you register by going to www.ministrelife.org. If you have an ABPS Profile in the system, even if it is outdated, please go to the Login Page, scroll to the bottom, type in the email address associated with your Profile in the box that says, "Have an ABPS Profile?" From there, follow the system prompts and notes to recover your information and preload your profile. If you have never had an ABPS Profile, register as a new user. Once in, the system will direct you to the Employ Section of the platform where you can view and update your Profile. PLEASE NOTE: During this Beta Launch period updating your profile will be FREE. This will continue until the official launch in June.

If at any time you run into any issue, please feel free to click on the Help/Feedback popup on the bottom left of the site. We have a team answering those questions. Lastly, be on the lookout for ministrElife Training and Information Sessions that will be conducted for your area, both live and virtually.

Thank you for your support of ABPS and ministrElife!

Regards,
