

## **Rev. Greg G. Vigne**

Rev. Greg Vigne is the pastor of the Whitefield Community Baptist Church in Whitefield, NH. He has served as the pastor there for one year and has been active in the ABC-VNH Ministers Council where he served as auditor and is the Representative to the Ministers Council ABCUSA Ministries Team. Prior to Whitefield, Greg served as Interim Minister in Sutton and Middlebury, Vermont. He was ordained to Christian ministry in 2012 by the Memorial Baptist Church of Middlebury, VT.

The call to ordained ministry came later in Greg's life, as he worked for InterVarsity Christian Fellowship (IVCF) upon graduation from college until receiving that call. With IVCF Greg served 12 ½ years as a Campus Staff Member and Team Leader, and then he served 16 years with InterVarsity Press (a division of IVCF) in various marketing and sales positions. During this time he continued his education through occasional seminary classes and various conference and training opportunities. He also was an active member of his local ABC church serving terms (often multiple terms) as Moderator, Deacon, Trustee, adult Sunday School teacher, Worship Team leader and occasional preacher.

As a Campus Staff Member with IVCF, Greg was responsible for developing a donor base to support and encourage his ministry with students. He also received training in several fund development methods and developed a theological foundation for this work. With InterVarsity Press (IVP), he received additional training in business financing and sales and marketing. Greg's final position with IVP was as Major Account Sales Manager with responsibility for managing 3 of IVP's top 5 sales accounts.

As someone who has experience in advancement, an awareness of business practices, and an active role in pastoral ministry and the Ministers Council, Greg is a valued member of the Ministers Council Development Council.
