

“Give and you will receive...”

-- A Word on Giving Tuesday (November 28, 2017)*

When I lived in Michigan, the state I am from, I loved to going to a restaurant called, “Mongolian Barbeque.” The concept is you create your own recipe, place it in a small bowl, give it to the chef, and watch as he/she cooks your food to order on a large circular grill. For me, the fun part was piling up food in that tiny bowl as high as I could packing it down tight. The cooks would always give me funny looks when they received my bowl, because it was always running over. Yet, the more I gave the more they gave back until I was full. This reminds me of a tiny saying that Jesus inserted in His run of colloquialisms found in the Gospel According to St. Luke 6. In Verse 38, Jesus said,

“Give, and you will receive. Your gift will return to you in full--pressed down, shaken together to make room for more, running over, and poured into your lap. The amount you give will determine the amount you get back (NLT).”

My Pastor put it like this, “You can’t beat God giving.” I so agree with both statements. Today is giving Tuesday where you will be getting correspondence from all types of organizations requesting support. Yet, when you really think about it which ones will really give back to you? If you give to the Minister’s Council today, you know you will receive abundant blessings because we exist to support you and all the ministry you do. Think of it this way, when you give, you support another Pastor (s) who perhaps supported you through their gifts when you needed it most. When the gifts circulate all are blessed.

Use this day as a launching pad for on-going giving. What does that mean? Consider becoming a monthly Partner by giving \$20 or more a month beyond your regular dues. Imagine if Pastor or Ministers who benefited from the Minister’s Council’s support gave today and monthly? We would have enough resources to provide national programs and support local ministry. In addition, we would have enough funds to support staff who are here to meet your needs. Help us help you. Give today. (See address below... our website is temporarily under construction.)
