

Fare Well from Brother Jabulani

Since I've transitioned from being your Interim Operations Manager on November 30, I wanted to say "Thank you" for helping us support you over the past year.

When Rev. Dr. Debora Jackson resigned earlier this year, the BOG contracted with me and Rev. Dr. Randall Harris to serve as part-time Interim Management team. Since we were on the BOG they felt us serving in these roles would provide continuity and stability in order to continue to meet the needs of our constituents through the Mission Summit.

After the Mission Summit, The BOG reduced our roles and responsibility to work through November 30th.* In mid-December, the office will be closed while the BOG moves the office to a nearby local church space (details forthcoming).

As you know, we have experienced financial challenges and major staff transition over the last years. The financial challenges have been as result of granting sources ceasing to provide funding. Even with increased or sustained membership dues, we are faced with how to structure the MC going forward. Contact your local chapter representative for most recent reports on this.

While I will no longer be on the Board or staff, I pray God sends the right person to help with forward progress yet to be seen.

Farewell and God Bless You.

Rev. Jabulani McCalister, LMSW, MDIV
