March 2020 Newsletter

Jubilee Practices, 2020

In concert with the Ministers Council proclamation, “Year of Jubilee, 2020” we are committing a section of our monthly newsletter to exploring Jubilee Practices. We invite members of the Council to share the practices that shape Jubilee living from a private, congregational, regional, and/or professional perspective.

Submit your reflections to Lisa Simpson at info@ministerscouncil.com. Also, if you are not yet a member of the Ministers Council, ABCUSA, simply apply through our website: MinistersCouncil.com and your national dues will be waived for the year 2020.

Peace and Goodness to you.

We conducted "worshipful work" (read more [here](#)) at our two-day planning meeting of the Leadership Team. Throughout our time, we took turns sharing an incredible collage of devotional reflections, and allowed deep responses and dreaming. Themes included Jubilee, joy, bearing the images of God, wellness, connection to nature, equipping the saints and MORE. We'll be sharing these in coming issues. Here are the first two of the Team's devotionals, the first from the Rev. Dr. Barbara Jim-George; the second from the Rev. Atula Jamir, Ph.D.

Additional devotionals will be available in the spring issues of the newsletter.

Milestones & Prayer Requests

VALLEY FORGE, PA - **Rev. Dr. Tom Wiles** informed the Board of Ministries of the **American Baptist Churches Of Rhode Island (ABCORI)** in December of his plans to retire on June 30, 2020.

The American Baptist Churches of Michigan announced in January that the Region board voted to approve the recommendation of the Executive Minister Search Committee, calling **Rev. Brian D. Johnson** to serve as Executive Minister. **(Click to read more)**

Please pray for our Leadership Team's work...

We ask you to hold in prayer all ministers who are in discernment — asking you to pray for all who are seeking to find their vocations. For those looking for inspiration, and those who are unsure of their path as they decide between calls.

Please hold colleagues in prayer in facing many difficult times. In particular, we uphold **Revs. Mindi Welton-Mitchell** and **Sarah Welton** in prayer as Jerry (Sarah's husband and Mindi's stepdad) passed away after a tragic fall. We also hold in tender hearts Rebecca and **Nathan Irwin-Diehl** and family upon death of 17-year old son Jackiel.

Please pray for our nation's painful divisions and the discernment to take Christ-like actions daily. Ask God to give the leaders of this nation the wisdom and integrity to lead in the best direction.

Continue to remember, pray for and care for people who need warmth, shelter and nourishment, not just during the worst of the winter but throughout the year.

Please pray for all who are affected by the Coronavirus. Pray for all who are sick because of the virus and all who mourn for those who have died. Ask God to strengthen those who work among the sick, the medical personnel and emergency responders. Pray that government officials and agencies will have wisdom and skill in containing the epidemic.

Lent is approaching, and our attention is being turned to Jesus' suffering, sacrifice, death and resurrection. Lift up humble, grateful prayers for God's mercy, love and forgiveness, which were fulfilled in Jesus Christ, son of God — our hope and salvation.
