### **Welcome back, Fellow Colleagues,**

I pray your summer was enjoyable and restful. I enjoyed my summer. I attended our well-organized ABCUSA-MC Biennial and the Alpha Kappa Alpha Leadership Conference in Anaheim, CA, with about 30,000 other women. Both conferences were awesome. However, August was the real treat. It is my annual sabbatical for one entire month away from running, going, and doing.

I spent uninterrupted 'God and Me' time soaking (Philippians 4:8), prayer-walking, reading, and writing. During this annual respite, this year my husband, Thomas, joined me. It was a pleasant surprise! In the 47 years we have been married, it was the first time we had Sunday brunch three times in fancy restaurants. We often sat by the duck pond in our new community, talking about nothing in particular. And in the coolness of early evenings, we took long walks. I felt like I was in heaven. I could not stop smiling and praising God for His goodness and the month of August.

Now that I have shared my summer with you,  
do take the time to drop me an email:

[Dianthia55@aol.com](mailto:Dianthia55@aol.com) and share your summer. I look forward to hearing from

you. Or better still, perhaps you will join me for our monthly Ministers Council Chapter Representatives' meeting. That will be another great surprise to bring closure to this wonderful summer.

Sisterly, Dianthia
